

Barrier Technology Corporation and LP® Building Products Update Supply Agreement

April 9, 2014

Barrier Technology Corporation met with LP® Building Products on April 4, 2014 and made mutually agreed upon updates to the Supply Agreement. To enable administrative details to be finalized, a 30 day extension was signed. The final Supply Agreement is planned to be executed on May 1st for a year (through April 30, 2015) with a provision to extend in one-year increments with mutual agreement.

About International Barrier Technology Inc.

International Barrier Technology Inc. (OTCBB: IBTGF; TSXV: IBH) develops, manufactures, and markets proprietary fire-resistant building materials branded as LP® FlameBlock® Fire-Rated OSB Sheathing and Mule-Hide FR Deck Panel. Barrier's award-winning fire-resistant wood panels use a patented, non-toxic, non-combustible coating with an extraordinary capability: it releases water in the heat of fire. The panels exceed "model" building code requirements in every targeted fire test and application, and are unique in combining properties that increase panel strength and minimize environmental and human impact. Barrier's family of products provides customers a premium material choice meeting an increasingly challenging combination of requirements in residential and commercial building construction.
