as at October 27, 2016**

**ANNUAL GENERAL MEETING OF SHAREHOLDERS
TO BE HELD DECEMBER 6, 2016**

In this Proxy Statement and Information Circular, all references to "\$" are references to United States dollars and all references to "C\$" are references to Canadian dollars.

GENERAL

The enclosed proxy is solicited by the Board of Directors ("**Board of Directors**", or "**Board**") of International Barrier Technology Inc., a British Columbia corporation (the "**Company**"), for use at the Annual General Meeting of Shareholders (the "**Meeting**") of the Company to be held at 10:00 a.m. Vancouver Time on December 6, 2016, at Suite 1200 – 750 West Pender Street, Vancouver, British Columbia V6C 2T8, and at any adjournment or postponement thereof.

Our principal corporate office is located at 510 4th Street North, Watkins, Minnesota, USA 55389-0379. This Proxy Statement and the accompanying proxy card are being mailed to our shareholders on November 7, 2016.

The cost of solicitation will be borne by the Company. The solicitation will be made primarily by mail. Proxies may also be solicited personally or by telephone by certain of the Company's directors, officers and regular employees, who will not receive additional compensation therefore. In addition, the Company will reimburse brokerage firms, custodians, nominees and fiduciaries for their expenses in forwarding solicitation materials to beneficial owners. The total cost of proxy solicitation, including legal fees and expenses incurred in connection with the preparation of this Proxy Statement and Information Circular, is estimated to be \$7,000.

APPOINTMENT OF PROXYHOLDER

The persons named as proxy holder in the accompanying form of proxy were designated by the management of the Company ("**Management Proxy Holder**"). **A shareholder desiring to appoint some other person ("**Alternate Proxy Holder**") to represent him at the Meeting may do so by inserting such other person's name in the space indicated or by completing another proper form of proxy.** A person appointed as proxy holder need not be a shareholder of the Company. All completed proxy forms must be deposited with Computershare Investor Services Inc. ("**Computershare**") not less than forty-eight (48) hours, excluding Saturdays, Sundays, and holidays, before the time of the Meeting or any adjournment of it unless the chairman of the Meeting elects to exercise his discretion to accept proxies received subsequently.

EXERCISE OF DISCRETION BY PROXYHOLDER

The proxy holder will vote for or against or withhold from voting the shares, as directed by a shareholder on the proxy, on any ballot that may be called for. **In the absence of any such direction, the Management Proxy holder will vote in favour of matters described in the proxy. In the absence of any direction as to how to vote the shares, an Alternate Proxy holder has discretion to vote them as he or she chooses.**

The enclosed form of proxy confers discretionary authority upon the proxy holder with respect to amendments or variations to matters identified in the attached Notice of Meeting and other matters which may properly come before the Meeting. At present, Management of the Company knows of no such amendments, variations or other matters.

PROXY VOTING

Registered Shareholders

If you are a Registered Shareholder you may wish to vote by proxy whether or not you are able to attend the Meeting in person. Registered Shareholders electing to submit a proxy may do so by completing the enclosed form of proxy (the "Proxy") and returning it to the Company's transfer agent, Computershare, in accordance with the instructions on the Proxy.

In all cases you should ensure that the Proxy is received at least 48 hours (excluding Saturdays, Sundays and holidays) before the Meeting or the adjournment thereof at which the Proxy is to be used.

Beneficial Shareholders

The following information is of significant importance to shareholders who do not hold Shares in their own name. Beneficial Shareholders should note that the only proxies that can be recognized and acted upon at the Meeting are those deposited by registered shareholders (those whose names appear on the records of the Company as the registered holders of Shares).

If Shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those Shares will not be registered in the shareholder's name on the records of the Company. Such Shares will more likely be registered under the names of the shareholder's broker or an agent of that broker. In the United States, the vast majority of such Shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks), and in Canada, under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms).

Intermediaries are required to seek voting instructions from Beneficial Shareholders in advance of shareholders' meetings. Every intermediary has its own mailing procedures and provides its own return instructions to clients.

If you are a Beneficial Shareholder:

You should carefully follow the instructions of your broker or intermediary in order to ensure that your shares are voted at the Meeting.

The form of proxy supplied to you by your broker will be similar to the Proxy provided to registered shareholders by the Company. However, its purpose is limited to instructing the intermediary on how to vote on your behalf. Most brokers now delegate responsibility for obtaining instructions from clients to Broadridge Investor Communication Solutions ("**Broadridge**") in the United States and in Canada. Broadridge mails a voting instruction form in lieu of a Proxy provided by the Company. The voting instruction form will name the same persons as the Company's Proxy to represent you at the Meeting. You have the right to appoint a person (who need not be a Beneficial Shareholder of the Company), other than the persons designated in the voting instruction form, to represent you at the Meeting. To exercise this right, you should insert the name of the desired representative in the blank space provided in the voting instruction form. The completed voting instruction form must then be returned to Broadridge by mail or facsimile or given to Broadridge by phone or over the internet, in accordance with Broadridge's instructions. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Shares to be represented at the Meeting. **If you receive a voting instruction form from Broadridge, you cannot use it to vote Shares directly at the Meeting - the voting instruction form must be completed and returned to Broadridge, in accordance with its instructions, well in advance of the Meeting in order to have the Shares voted.**

Although as a Beneficial Shareholder you may not be recognized directly at the Meeting for the purposes of voting Shares registered in the name of your broker, you, or a person designated by you, may attend at the Meeting as proxy holder for your broker and vote your Shares in that capacity. If you wish to attend at the Meeting and indirectly vote your Shares as proxy holder for your broker, or have a person designated by you do so, you should enter your own name, or the name of the person you wish to designate, in the blank space on the voting instruction

form provided to you and return the same to your broker in accordance with the instructions provided by such broker, well in advance of the Meeting.

Alternatively, you can request in writing that your broker send you a legal proxy which would enable you, or a person designated by you, to attend at the Meeting and vote your Shares.

REVOCATION OF PROXIES

In addition to revocation in any other manner permitted by law, a registered shareholder who has given a proxy may revoke it by:

- (a) Executing a proxy bearing a later date or by executing a valid notice of revocation, either of the foregoing to be executed by the registered shareholder or the registered shareholder's authorized attorney in writing, or, if the shareholder is a corporation, under its corporate seal by an officer or attorney duly authorized, and by delivering the proxy bearing a later date to Computershare at any time up to and including the last business day that precedes the day of the Meeting or, if the Meeting is adjourned, the last business day that precedes any reconvening thereof, or to the chairman of the Meeting on the day of the Meeting or any reconvening thereof, or in any other manner provided by law, or
- (b) Personally attending the meeting and voting the registered shareholders' shares.

A revocation of a proxy will not affect a matter on which a vote is taken before the revocation.

Only registered shareholders have the right to revoke a Proxy. Non-Registered Holders who wish to change their vote must, at least seven days before the Meeting, arrange for their respective Intermediaries to revoke the Proxy on their behalf.

VOTING PROCEDURE

A quorum for the transaction of business at the Meeting is one person who is a shareholder, or who is otherwise permitted to vote shares of the Company at a meeting of shareholders, present in person or by proxy. Broker non-votes occur when a person holding shares through a bank or brokerage account does not provide instructions as to how his or her shares should be voted and the broker does not exercise discretion to vote those shares on a particular matter. Abstentions and broker non-votes will be included in determining the presence of a quorum at the Meeting. However, an abstention or broker non-vote will not have any effect on the outcome for the election of directors.

Except for the election of directors, all of the other matters that will come to a vote at the Meeting as described in the Notice of Meeting are ordinary resolutions and can be passed by a simple majority. The nominees for election as directors at the Meeting will be elected by a plurality of the votes cast at the Meeting, such that the number of positions on the Board of Directors (as set at the Meeting) will be filled by the nominees with the most votes. Shares for which proxy cards are properly executed and returned will be voted at the Meeting in accordance with the directions noted thereon or, in the absence of directions, will be voted "FOR" fixing the number of directors at three, "FOR" the election of each of the nominees to the board of directors named on the following page, "FOR" the ratification of the appointment of BDO Canada LLP, Chartered Accountants, as the independent auditors of the Company for the year ended June 30, 2017, and the authorization of the Directors to fix the remuneration of the auditors, and "FOR" the authorization and annual approval of the Company's Stock Option Plan. It is not expected that any matters other than those referred to in this Proxy Statement will be brought before the Meeting. If, however, other matters are properly presented, the persons named as proxies will vote in accordance with their discretion with respect to such matters.

To the knowledge of the Company's directors, the only matters to be placed before the Meeting are those set forth in the accompanying Notice of Meeting and more particularly discussed below.

PROPOSAL 1 **NUMBER OF DIRECTORS**

The Board of Directors proposes to fix the number of Directors of the Company at three. Under British Columbia corporate legislation, a public company is required to have a minimum of three directors. In addition, a public company is required to have an audit committee that must be composed of at least three members. Each audit committee member must be financially literate and the majority must be independent directors. Accordingly, the Company has determined that fixing the number of directors at three is required to meet these requirements. The Company's articles permit the number of directors to be set by ordinary resolution of shareholders.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" SETTING THE NUMBER OF DIRECTORS AT THREE.

PROPOSAL 2 **ELECTION OF DIRECTORS**

The Board of Directors has proposed that the following three nominees be elected as Directors at the Meeting, each of whom will hold office until the expiration of their term or until his or her successor shall have been duly appointed or elected and qualified: Michael D. Huddy, David J. Corcoran, and Victor A. Yates.

Unless otherwise instructed, it is the intention of the persons named as proxies on the accompanying proxy card to vote shares represented by properly executed proxies for the election of such nominees. Although the Board of Directors anticipates that the three nominees will be available to serve as Directors of the Company, if any of them should be unwilling or unable to serve, it is intended that the proxies will be voted for the election of such substitute nominee or nominees as may be designated by the Board of Directors.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" EACH NOMINEE.

Audit Committee

National Instrument 52-110 of the Canadian Securities Administrators (“**NI 52-110**”) requires the Company, as a venture issuer, to disclose annually in its Information Circular certain information concerning the constitution of its Audit Committee and its relationship with its independent auditor, as set forth in the following.

Composition of the Audit Committee

The Company’s Audit Committee is comprised of three directors: David J. Corcoran, Victor A. Yates and Michael D. Huddy. As defined in NI 52-110, Mr. Corcoran and Mr. Yates are both “independent”. Also as defined in NI 52-110, all of the Audit Committee members are “financially literate” and knowledgeable about the Company’s affairs. Because the Company’s structure and operations are straightforward, the Company does not find it necessary to augment its Board of Directors with a financial expert.

Relevant Education and Experience

David J. Corcoran – Mr. Corcoran is a Former Chartered Accountant and holds a Bachelor of Commerce degree from the University of British Columbia. Mr. Corcoran founded Corcoran and Company, Chartered Accountants of Vancouver, British Columbia, and from 1979 to 1990 his firm secured a wide variety of business clients whom he advised regarding their management and business planning. This experience has provided Mr. Corcoran with an understanding of the accounting principles used by the Company to prepare its financial statements. Mr. Corcoran’s experience also allows him to analyze or evaluate the Company’s financial statements.

Victor A. Yates – Mr. Yates is a self-employed businessman involved in real estate, construction of multi-family and commercial developments. He holds a degree in Real Estate Appraisal and is a Licensed Real Estate Agent. In 1981, he was one of the founding directors of Hycroft Resources Inc., a gold producing company on the Toronto Stock Exchange. His 35 years of experience in operating a variety of business ventures brings to the Board of Directors an entrepreneurial, construction, and financial perspective. This experience and educational background has provided Mr. Yates with an understanding of the accounting principles used by the Company to prepare its financial statements. Mr. Yates’ experience also allows him to analyze or evaluate the Company’s financial statements.

Michael D. Huddy – Dr. Huddy has been the President of the Company for 22 years. Dr. Huddy’s experience allows him to analyze or evaluate the Company’s financial statements.

The Audit Committee’s Charter

The Company has adopted a Charter of the Audit Committee of the Board of Directors, which is attached as Schedule “B” to this Information Circular.

Audit Committee Oversight

Since the commencement of the Company’s most recently completed financial year, the Company’s Board of Directors has not failed to adopt a recommendation of the Audit Committee to nominate or compensate an external auditor.

Reliance on Certain Exemptions

Since the effective date of NI 52-110, the Company has not relied on the exemptions contained in sections 2.4 or 8 of NI 52-110. Section 2.4 provides an exemption from the requirement that the Audit Committee must pre-approve all non-audit services to be provided by the auditor, where the total amount of fees related to the non-audit services are not expected to exceed 5% of the total fees payable to the auditor in the fiscal year in which the non-audit services were provided. Section 8 permits a company to apply to a securities regulatory authority for an exemption from the requirements of NI 52-110, in whole or in part.

Pre-Approval Policies and Procedures

The Audit Committee has not adopted specific policies and procedures for the engagement of non-audit services. Subject to the requirements of NI 52-110, the engagement of non-audit services is considered by the Company's Board of Directors, and where applicable the Audit Committee, on a case-by-case basis.

External Auditor Service Fees

In the following table, "audit fees" are fees billed by the Company's external auditor for services provided in auditing the Company's annual financial statements for the subject year. "Audit-related fees" are fees not included in audit fees that are billed by the auditor for assurance and related services that are reasonably related to the performance of the audit or review of the Company's financial statements. "Tax fees" are fees billed by the auditor for professional services rendered for tax compliance, tax advice and tax planning. "All other fees" are fees billed by the auditor for products and services not included in the foregoing categories.

The fees paid by the Company to its auditor in each of the last two fiscal years, by category, are as follows:

Financial Year Ending	Audit Fees	Audit-Related Fees	Tax Fees	All Other Fees
June 30, 2015	\$63,927	Nil	Nil	Nil

Exemption

The Company is relying on the exemption provided by section 6.1 of NI 52-110 which provides that the Company, as a venture issuer, is not required to comply with Part 3 (Composition of the Audit Committee) and Part 5 (Reporting Obligations) of NI 52-110.

Pre-Approved Services

100% of the services provided by the auditor were pre-approved by the Audit Committee.

Audit Committee Report

In the course of providing its oversight responsibilities regarding the financial statements for the year ended June 30, 2016, the Audit Committee reviewed the audited financial statements which appear in the Company's Annual Report to shareholders on Form 10-K, with management and the Company's independent auditors. The Audit Committee reviewed accounting principles, practices and judgments as well as the adequacy and clarity of the notes to the financial statements.

The Audit Committee reviewed the independence and performance of the independent auditors who are responsible for expressing an opinion on the conformity of those audited financial statements with accounting principles generally accepted in the United States, and such other matters as required to be communicated by the independent auditors in accordance with Statement on Auditing Standards 61, as adopted by the Public Company Accounting Oversight Board in Rule 3200T.

During the fiscal year ended June 30, 2016, the Audit Committee held 12 meetings. The Audit Committee meets with the independent auditors to discuss their audit plans, scope and timing on a regular basis, with or without management present. The Audit Committee has received the written disclosures and the letter from the independent auditors required by applicable standards of the Public Company Accounting Oversight Board for independent auditor communications with the audit committees concerning independence as may be modified or supplemented, concerning its independence as required under applicable standards for auditors of public companies.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors, and the Board of Directors has approved, that the audited financial statements be included in the Annual Report to shareholders on Form 10-K for the year ended June 30, 2016. The Audit Committee and the Board of Directors have also recommended the selection of BDO Canada LLP as independent auditors for the Company for the fiscal year ending June 30, 2017.

Compensation Committee

For the ensuing year, the Board of Directors appointed David Corcoran and Victor Yates to the Compensation Committee and Martin Litz as advisor to the Compensation Committee. David Corcoran was formerly the Chief Financial Officer of the Company. The Compensation Committee reviews and approves the compensation of the Company's officers, reviews and administers the Company's stock option plans for employees and makes recommendations to the board of directors regarding such matters. The Compensation Committee does not have a charter and cannot delegate any authority to other persons.

The Compensation Committee is responsible for the compensation of the Company's executive officers and to administer all incentive compensation plans and equity-based plans of the Company, including the plans under which Company securities may be acquired by directors, executive officers, employees and consultants.

Nominating Committee

No Nominating Committee has been appointed. Nominations of directors are made by the Board of Directors. The Directors are of the view that the present management structure does not warrant the appointment of a Nominating Committee.

In its deliberations for selecting candidates for nominees as director, the Board of Directors considers the candidate's knowledge of the technology industry and involvement in community, business and civic affairs. Any nominee for director made by the Board of Directors must be highly qualified with regard to some or all these attributes. In searching for qualified director candidates to fill vacancies on the Board, the Board solicits its current Board of Directors for names of potentially qualified candidates. The Board would then consider the potential pool of director candidates, select the candidate the Board believes best meets the then-current needs of the Board, and conduct a thorough investigation of the proposed candidate's background to ensure there is no past history, potential conflict of interest or regulatory issue that would cause the candidate not to be qualified to serve as a director of the Company. Additionally, the Board annually reviews the Board's size, structure, composition and functioning, to ensure an appropriate blend and balance of diverse skills and experience.

Shareholder Communications

Shareholders may send communications to the Board of Directors at the Company's head office.

Board Leadership Structure and Role in Risk Oversight

The Board of Directors does not have an express policy regarding the separation of the roles of the Chairman of the Board and Chief Executive Officer, as the Board believes that it is in the best interests of the Company to make that

determination based on the position and direction of the Company and the membership of the Board. The Board of Directors has reviewed the Company's current Board leadership structure. Michael D. Huddy has been the Company's President since July 1994 and the Company's Chief Executive Officer since December 2000. In light of the composition of the Board, the Company's size, the nature of the Company's business, the regulatory framework under which the Company operates, the Company's shareholder base, the Company's peer group and other relevant factors, the Board believes that the current leadership structure is appropriate.

The understanding, identification and management of risk are essential elements for the successful management of the Company. Management is charged with the day-to-day management of the risks the Company faces. However, the Board, directly and indirectly through its committees, is actively involved in the oversight of the Company's risk management policies. The Board is charged with overseeing enterprise risk management, generally, and with reviewing and discussing with management the Company's major risk exposure (whether financial, operating or otherwise) and the steps management has taken to monitor, control and manage these exposures, including the Company's risk assessment and risk management guidelines and policies. Additionally, the Compensation Committee oversees the Company's compensation policies generally, in part to determine whether or not they create risks that are reasonably likely to have a material adverse effect on the Company.

Compensation Discussion and Analysis

Compensation Philosophy

Our overall compensation philosophy is to provide a compensation package that enables us to attract, retain and motivate Named Executive Officers to achieve our short-term and long-term business goals. Consistent with this philosophy, the following goals provide a framework for our Named Executive Officers compensation program:

- Pay competitively to attract, retain, and motivate Named Executive Officers;
- Relate total compensation for each Named Executive Officer to overall company performance as well as individual performance;
- Aggregate the elements of total compensation to reflect competitive market requirements and to address strategic business needs;
- Expose a portion of each Named Executive Officer's compensation to risk, the degree of which will positively correlate to the level of the Named Executive Officer's responsibility and performance; and
- Align the interests of our Named Executive Officers with those of our shareholders.

Oversight of Executive Compensation Program

The Compensation Committee is responsible for establishing a compensation policy and administering the compensation programs of our Executive Officers. The members of the Compensation Committee for the ensuing year are David Corcoran and Victor Yates (each an independent director under the rules of the American Stock Exchange) and Martin Litz is an advisor to the Compensation Committee.

The amount of compensation paid by us to each of our directors and named officers and the terms of those persons' employment is determined solely by the Compensation Committee. We believe that the compensation paid to its directors and officers is fair to the Company.

Executive Compensation Program Overview

The executive compensation package available to our Named Executive Officers is comprised of (i) base salary; and (ii) equity based compensation.

Base Salary

The base salary currently paid to our Named Executive Officers is commensurate with the nature of our business and their individual experience, duties and scope of responsibilities. In the future, we intend to pay competitive base salaries required to recruit and retain executives of the quality that we must employ to ensure our success.

In making determinations of salary levels for the Named Executive Officers, the Compensation Committee is likely to consider the entire compensation package for Named Executive Officers, including the equity compensation provided under stock option plans. We intend for the salary levels to be consistent with competitive practices of comparable institutions and each executive's level of responsibility. The Compensation Committee is likely to determine the level of any salary increase after reviewing the qualifications, experience, and performance of the particular executive officer and the nature of our business, the complexity of its activities, and the importance of the executive's contribution to the success of the business.

The Compensation Committee may also take into consideration salaries paid to others in similar positions in the Company's industry based on the experience of the Compensation Committee members and publicly available information. The discussion of the information and factors considered and given weight by the Compensation Committee is not intended to be exhaustive, but it is believed to include all material factors considered by the Compensation Committee. In reaching the determination to approve and recommend the base salaries the Compensation Committee did not assign any relative or specific weight to the factors which were considered, and individual directors may have given a different weight to each factor. The Compensation Committee will review and adjust the base salaries of our executive officers when deemed appropriate.

Equity Awards

Equity awards for our Named Executive Officers are and will be granted from our 2005 Stock Option Plan. The Company grants awards under the 2005 Stock Option Plan in order to align the interests of the Named Executive Officers with our shareholders, and to motivate and reward the Named Executive Officers to increase the shareholder value of the Company over the long term.

The use of stock options and other awards is intended to strengthen the alignment of interests of executive officers and other key employees with those of our shareholders.

Refer to the section entitled “Annual Approval of 2005 Stock Option Plan” for the terms of the Company’s current 2005 Stock Option Plan.

We believe that equity compensation is necessary to advance the interests of the Company and its shareholders by enhancing the ability of the Company to attract and retain the best available talent and to encourage the highest level of performance by senior officers, key employees, directors and consultants of the Company and of its subsidiaries through ownership of common shares in the Company.

Employment and Consulting Agreements

In order to retain Michael D. Huddy, the President and Chief Executive Officer of the Company, our Board of Directors determined that it was in the Company’s best interests to enter into a management agreement dated February 13, 1993 with Dr. Huddy (the terms of the agreement have been revised although no new formal agreement has been signed). The current terms require that Dr. Huddy provide full-time service to the Company in his capacity as Chief Executive Officer and to be fully responsible for the Company’s activities in the USA. The original agreement was for a term of four years but was to renew automatically every two years unless written notice of the intent to terminate was given by either party to the other. Terms of compensation are to be given prior to any renewal period.

The agreement specifies employer termination provisions including: material breach of any provision of the contract; inability to perform the duties under the agreement; fraud or serious neglect or misconduct; personal bankruptcy.

The duties are complete as to those of a Chief Executive Officer (President) and include: Administration of the day to day affairs of the Employer Development of Financial, manufacturing, and marketing plans; Communication with Employer and Shareholders on a timely basis; and, Formulation and execution of a proposed budget approved by the Employer. The agreement contains a Confidentiality Provision that precludes the sharing of confidential information to third parties not requiring the information to conduct business with Barrier. The confidentiality provision extends beyond the time limit of the agreement until the information or knowledge becomes part of the public domain.

The Company has not entered into any other employment, consulting or management agreements with any other executive officer.

Compensation Committee Interlocks and Insider Participation

None of the members of the Compensation Committee served as an officer or employee of the Company during the fiscal year ended June 30, 2016 (or subsequently). None of the current members of the Compensation Committee have entered into a transaction with the Company in which they had a direct or indirect interest that is required to be disclosed pursuant to Item 404 of Regulation S-K.

Compensation Committee Report

The Compensation Committee has reviewed and discussed the Compensation Discussion and Analysis above with management and based on such review and discussions, the Compensation Committee has recommended to the Board of Directors that the Compensation Discussion and Analysis be included in this Information Circular.

A stock appreciation right (“SAR”) is a right to receive a payment of cash or an issue or transfer of shares based wholly or in part on changes in the trading price of the Company’s shares.

**AGGREGATED OPTION/SAR EXERCISES DURING THE MOST RECENTLY COMPLETED
FINANCIAL YEAR AND FINANCIAL YEAR-END OPTION/SAR VALUES**

During the fiscal year ended June 30, 2016, no stock options were exercised by the Company’s Named Executive Officers. During this period, no outstanding SARs were held by the Named Executive Officers.

OUTSTANDING EQUITY AWARDS AT THE MOST RECENTLY COMPLETED FINANCIAL YEAR

The following table sets forth the outstanding equity awards of the Company’s Named Executive Officers as at the last completed fiscal year:

Pursuant to a management agreement dated February 13, 1993 made between the Company and Michael D. Huddy, if terminated other than for cause, as specified in the agreement, Dr. Huddy is to receive an annual salary of \$120,000 for the unexpired term, so long as he is not otherwise gainfully employed. If Dr. Huddy does engage in gainful employment after termination, he is to receive one-half of his annual salary for the remainder of the unexpired term. The rate of compensation paid to Dr. Huddy is reviewed periodically by the Company and is reflective of corporate performance and corporate goals.

Other than noted above, there is no compensatory plan, contract or arrangement where a Named Executive Officer is entitled to receive more than \$100,000 from the Company, including periodic payments or installments, in the event of the resignation, retirement or other termination of employment, a change of control of the Company or a change in the Named Executive Officer's responsibilities following a change in control.

COMPENSATION OF DIRECTORS

From November 30, 2006 to November 30, 2012 the Company paid director fees to Directors at the rate of \$750 per attendance at meetings of Directors. No director fees were paid thereafter until December 5, 2014, at which time the director fees for attendance at meetings were reinstated at the same rate. Directors are entitled to reimbursement for reasonable travel and other out-of-pocket expenses incurred in connection with attendance at meetings of the Board of Directors. During the 2015 Annual General Meeting and after research on comparable compensation, it was decided that the Board of Directors would receive an annual compensation fee in the amount of \$15,000. The Board of Directors may award special remuneration to any Director undertaking any special services on behalf of the Company other than services ordinarily required of a Director. During the previous three fiscal years of the Company, Directors were paid \$3,000 in 2016, \$1,500 in 2015, and \$0 in 2014 for attending meetings. The following table sets out details of compensation paid to the Directors of the Company during the fiscal year ended June 30, 2016. For Executive Officers who are also Directors, this table includes only Directors Fees. Refer to the section entitled "Executive Compensation", "Summary Compensation Table" above for compensation paid to the Executive Officers.

Michael D. Huddy	\$33,000	Nil	Nil	Nil	Nil	\$30,000	\$63,000

Other than as stated above, the Company has no standard arrangement pursuant to which Directors are compensated by the Company for their services as Directors, except for the granting from time to time of incentive stock options in accordance with the policies of the TSX Venture Exchange.

During the fiscal year ended June 30, 2016, no stock options were granted to Directors. The following table sets forth the outstanding equity awards of the Company's Directors as at the last completed fiscal year:

STATEMENT OF CORPORATE GOVERNANCE PRACTICE

The British Columbia Securities Commission has issued guidelines on corporate governance disclosure for venture issuers as set out in Form 58-101F2 (the "Disclosure"). The Disclosure addresses matters relating to constitution and independence of directors, the functions to be performed by the directors of a company and their committees and effectiveness and evaluation of proposed corporate governance guidelines and best practices specified by the Canadian securities regulators. The Company's approach to corporate governance in the context of the specific Disclosure issues outlined in Form 58-101F2 is set out in the attached Schedule "A".

PROPOSAL 3
RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS

BDO Canada LLP, Chartered Accountants, served as the Company's independent auditors for the fiscal year ending June 30, 2016 and has been appointed by the Board of Directors to continue as the Company's independent auditor for the Company's fiscal year ending June 30, 2017. BDO Canada and predecessor company Amisano Hanson have been the Company's auditors since 1991.

Refer to the section entitled "Audit Committee –External Auditor Service Fees" for the fees for services provided by BDO Canada LLP, Chartered Accountants, to the Company in each of the two fiscal years ended June 30, 2015 and June 30, 2016.

Although the appointment of BDO Canada LLP, Chartered Accountants, is not required to be submitted to a vote of the shareholders, the Board of Directors believes it appropriate as a matter of policy to request that the shareholders ratify the appointment of the independent public accountant for the fiscal year ending June 30, 2016. In the event a majority of the votes cast at the meeting are not voted in favor of ratification, the adverse vote will be considered as a direction to the Board of Directors of the Company to select other auditors for the fiscal year ending June 30, 2018.

Management is also recommending that shareholders vote in favour of authorizing the Directors to fix the remuneration of the Company's auditors, BDO Canada LLP, Chartered Accountants.

A representative from BDO will be present at the Annual General Meeting and be available to respond to questions.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" RATIFICATION OF THE APPOINTMENT OF BDO CANADA LLP, CHARTERED ACCOUNTANTS, AS THE COMPANY'S INDEPENDENT AUDITORS FOR THE FISCAL YEAR ENDING JUNE 30, 2017 AND THE AUTHORIZATION OF THE DIRECTORS TO FIX THE REMUNERATION OF THE AUDITORS.

PROPOSAL 4
ANNUAL APPROVAL OF STOCK OPTION PLAN

In accordance with Policy 4.4 of the TSX Venture Exchange (the "Exchange"), "rolling plans" must receive shareholder approval yearly. As such, the directors of the Company wish to seek approval of the Company's 2005 "rolling" stock option plan, amended October 16, 2014 (the "2005 Plan"), which was approved by the shareholders at the Company's 2005 Annual General Meeting, reserving a maximum of 10% of the issued shares of the Company at the time of the stock option grant. The purpose of the 2005 Plan is to provide incentive to employees, directors, officers, management companies and consultants who provide services to the Company and reduce the cash compensation the Company would otherwise have to pay.

The 2005 Plan complies with the current policies of the Exchange for Tier 2 issuers. Under the 2005 Plan, a maximum of 10% of the issued and outstanding shares of the Company are proposed to be reserved at any time for issuance on the exercise of stock options. As the number of shares reserved for issuance under the 2005 Plan increases with the issue of additional shares of the Company, the 2005 Plan is considered to be a "rolling" stock option plan.

Management is seeking annual shareholder approval for the 2005 Plan including the approval of the number of shares reserved for issuance under the 2005 Plan in accordance with and subject to the rules and policies of the Exchange.

Terms of the 2005 Stock Option Plan

A full copy of the 2005 Plan will be available at the Meeting for review by shareholders. Shareholders may also obtain copies of the 2005 Plan from the Company prior to the meeting on written request. The following is a summary of the material terms of the 2005 Plan:

Number of Shares Reserved. The number of common shares which may be issued pursuant to options granted under the 2005 Plan may not exceed 10% of the issued and outstanding shares of the Company from time to time at the date of granting of options (including all options granted by the Company prior to the adoption of the Plan).

Maximum Term of Options. The term of any options granted under the 2005 Plan is fixed by the Board of Directors and may not exceed five years from the date of grant, or 10 years if the Company is classified as a “Tier 1” issuer under the policies of the Exchange. The options are non-assignable and non-transferable.

Exercise Price. The exercise price of options granted under the 2005 Plan is determined by the Board of Directors, provided that it is not less than the Discounted Market Price, as that term is defined in the Exchange policy manual or such other minimum price as is permitted by the Exchange in accordance with the policies from time to time, or, if the shares are no longer listed on the Exchange, then such other exchange or quotation system on which the shares are listed or quoted for trading.

Reduction of Exercise Price. The exercise price of stock options granted to insiders may not be decreased without disinterested shareholder approval at the time of the proposed amendment.

Termination. Any options granted pursuant to the 2005 Plan will terminate generally within 90 days of the option holder ceasing to act as a director, officer, or employee of the Company or any of its affiliates, and within generally 30 days of the option holder ceasing to act as an employee engaged in investor relations activities, unless such cessation is on account of death. If such cessation is on account of death, the options terminate on the first anniversary of such cessation. If such cessation is on account of cause, or termination by regulatory sanction or by reason of judicial order, the options terminate immediately. Options that have been cancelled or that have expired without having been exercised shall continue to be issuable under the 2005 Plan. The 2005 Plan also provides for adjustments to outstanding options in the event of any consolidation, subdivision, conversion or exchange of Company’s shares.

Administration. The 2005 Plan is administered by the Board of Directors of the Company or senior officer or employee to which such authority is delegated by the Board from time to time.

Board Discretion. The 2005 Plan provides that, generally, the number of shares subject to each option, the exercise price, the expiry time, the extent to which such option is exercisable, including vesting schedules, and other terms and conditions relating to such options shall be determined by the Board of Directors of the Company or senior officer or employee to which such authority is delegated by the Board from time to time and in accordance with Exchange policies. The number of option grants, in any 12 month period, may not result in the issuance to any one optionee which exceed 5% of the outstanding common shares of the Company (unless the Company has obtained the requisite disinterested shareholder approval), or the issuance to a person employed to provide investor relations activities which exceed 2% of the outstanding common shares of the Company.

Shareholder Approval

Shareholders will be asked at the Meeting to approve the following resolution:

“BE IT RESOLVED THAT the 2005 Stock Option Plan, amended October 16, 2014, be and it is hereby ratified, that in connection therewith the reservation of a maximum of 10% of the issued and outstanding shares at the time of each grant be approved under the plan and that the Board of Directors be and they are hereby authorized, without further shareholder approval, to make such changes to the existing stock option plan as may be required or approved by regulatory authorities.”

THE BOARD OF DIRECTORS RECOMMENDS A VOTE “FOR” AUTHORIZING AND APPROVING THE COMPANY’S 2005 STOCK OPTION PLAN, AMENDED OCTOBER 16, 2014.

OTHER MATTERS

The Company knows of no other matters that are likely to be brought before the Meeting. If, however, other matters not presently known or determined properly come before the Meeting, the persons named as proxies in the enclosed proxy card or their substitutes will vote such proxy in accordance with their discretion with respect to such matters.

PROPOSALS OF SHAREHOLDERS

Shareholder director nominees and proposals which shareholders wish to be considered for inclusion in the Proxy Statement and proxy card for the 2017 Annual General Meeting of Shareholders must be received by the Secretary of the Company by June 15, 2017 and must comply with the requirements of Rule 14a-8 under the Securities Exchange Act of 1934, as amended, and Division 7 of Part 5 of the *Business Corporations Act* (British Columbia). After this date, any shareholder proposal will be considered untimely.

SCHEDULE "A"

Statement of Corporate Governance Disclosure International Barrier Technology Inc.

The Company's corporate governance disclosure is specifically set out below.

1. *Board of Directors*

Disclose how the board of directors (the "Board") facilitates its exercise of independent supervision over management, including

- (i) the identity of directors that are independent, and
- (ii) the identity of directors who are not independent, and the basis for that determination.

The Board consists of three directors, of whom two are considered to be independent. The unrelated directors do not have any direct or indirect material relationships with the Company (other than shareholdings) which could, in the view of the Company's Board, reasonably interfere with the exercise of a directors independent judgment. David Corcoran and Victor Yates are the independent directors. Michael Huddy is President and Chief Executive Officer of the Company. David Corcoran, through a wholly owned private company, has a consulting agreement with the Company. Although Mr. Corcoran has a material relationship with the Company, it is the view of the Company's Board, that it does not reasonably interfere with the exercise of his independent judgment.

2. *Directorships*

If a director is presently a director of any other issuer that is a reporting issuer (or the equivalent) in a jurisdiction or a foreign jurisdiction, identify both the director and the other issuer.

No directors of the Company are directors of any other reporting issuer.

3. *Orientation and Continuing Education*

Describe what steps, if any, the Board takes to orient new Board members, and describe any measures the Board takes to provide continuing education for directors.

Orientation and education of new members of the Board is conducted informally by management and members of the Board. The orientation provides background information on the Company's history, performance and strategic plans. The Company has not adopted formal policies respecting continuing education for Board members. The Company encourages directors to undertake continuing education the costs of which are borne by the Company.

4. *Ethical Business Conduct*

Describe what steps, if any, the Board takes to encourage and promote a culture of ethical business conduct.

The Board has not adopted a formal code of business conduct and ethics. The Board is of the view that the fiduciary duties placed on individual directors by the Company's governing legislation and common law together with corporate statutory restrictions on an individual director's participation in Board decisions in which the director has an interest are sufficient to ensure that the Board operates independently of management and in the best interests of the Company.

5. *Nomination of Directors*

Disclose what steps, if any, are taken to identify new candidates for Board nomination, including:

- (i) who identifies new candidates, and
- (ii) the process of identifying new candidates.

The Board considers its size each year when it considers the number of directors to recommend to the shareholders for election at the annual general meeting. The Board takes in to account the number of directors required to carry out the Board's duties effectively and to maintain diversity of views and experience.

The Board has not established a nominating committee and this function is currently performed by the Board as a whole.

6. *Compensation*

Disclose what steps, if any, are taken to determine compensation for the directors and CEO, including:

- (i) who determines compensation, and
- (ii) the process of determining compensation.

The Board has appointed a Compensation Committee comprised of David Corcoran, Victor Yates and an advisor who is a representative of a significant shareholder. The Compensation Committee considers and makes recommendations to the Board respecting compensation for directors and senior officers.

7. *Other Board Committees*

If the Board has standing committees other than the audit, compensation and nominating committees, identify the committees and describe their function.

The Board has no committees other than the Audit Committee and Compensation Committee.

8. *Assessments*

Disclose what steps, if any, that the Board takes to satisfy itself that the Board, its committees, and its individual directors are performing effectively.

The Board annually, and at such other times as it deems appropriate, reviews the performance and effectiveness of the Board, the directors and its committees to determine whether changes in size, personnel or responsibilities are warranted. To assist in its review, the Board conducts informal surveys of its directors and receives reports from each committee respecting its own effectiveness. As part of the assessments, the Board or the individual committee may review their respective mandate or charter and conduct reviews of applicable corporate policies.
