
**“Investing in the Environment” Online Investor Conference March 21st
To Discuss Opportunities in Renewable Energy, Cleantech, Water and Green Building**

Online Greentech Conference Adds Industry Speaker Jacob Golbitz, Director of Research at HighQuest Partners to Discuss BioFuel Market

POINT ROBERTS, WA and DELTA, BC – March 20, 2007, www.investorideas.com, and its global investor and industry Greentech portals, reminds investors and industry participants of the upcoming March 21, 2007 online conference: "Investing in the Environment: Global Warming, Global Warning - Investing Today for Tomorrow's Future." With issues of energy independence, global warming and environmental concerns escalating, cleantech investments and market opportunities continue to gain momentum.

Joining the in-depth list of industry experts presenting at the conference is Jacob Golbitz, Director of Research at HighQuest Partners (www.highquestpartners.com / www.soyatech.com) to discuss trends and opportunities within the biofuel market.

A full list of Speakers, Presenters, Sponsors and conference details is available at:
www.investorideas.com/forums/Portals/green.aspx

Previously announced green publicly traded presenters include alternative energy companies: Akeena Solar, Inc. (OTCBB: AKNS); ZAP; Rotoblock Corporation (OTCBB:ROTB) and Ener1, Inc., water companies WaterBank of America (USA) Inc., and Global Water Technologies, Inc. (OTC.PK:GWTR), a 'Cleantech' water purification and services company, as well as International Barrier Technology Inc. (OTCBB: IBTGF), manufacturer of environmentally friendly fire resistant building materials.

The in-depth online conference is free to investors with registration (<http://www.investorideas.com/forums/Register.aspx>) and will be available March 21st, 2007, starting at 9:00 am EDT and archived thereafter. Participants currently include twelve well-known industry experts and seven “green” public companies from segments such as renewable energy, water, green building and energy efficiency.

Current Media Sponsors include: Cleantech Venture Network <http://www.cleantech.com/>, The Wall Street Green Trading Summit VI <https://www.hedgeconnection.com/> and Small-Cap Conference Series <http://www.smallcapconference.ca/>.
