About International Barrier Technology Inc.

International Barrier Technology Inc. (OTCBB: IBTGF; TSXV:IBH) develops, manufactures, and markets proprietary fire resistant building materials branded as BlazeGuard®. Barrier's award-winning BlazeGuard® wood panels use a patented, non-toxic, non-combustible coating with an extraordinary capability: it releases water in the heat of fire. The panels exceed "model" building code requirements in every targeted fire test and application, and are unique in combining properties that increase panel strength and minimize environmental and human impact. BlazeGuard® provides Barrier's customers a premium material choice meeting an increasingly challenging combination of requirements in residential and commercial building construction. BlazeGuard® customers already include many of the top multifamily homebuilders, and commercial modular building manufacturers in the United States. www.intlbarrier.com
